To be a contractor in Arizona, an entity must be licensed. Before your hire a contractor for installation work, be sure to research the company and verify that their Arizona Registrar of Contractor's License is active and in good standing by visiting ROC.AZ.Gov. Often if a contractor is unlicensed, they may use subcontractors to perform the installation work, be sure to verify the subcontractors license status before agreeing to any scope of work. The Maricopa County Home Show does not guarantee the quality of work, service or product from the companies exhibiting and we do not accept any liability, express or implied, from the use of any exhibitor's products or services.

A HOME SHOW — R E D E F I N E D —

A WORD FROM THE DIRECTOR – KATIE JONES

What began as a passion project—a love of flowers & a dream—has now fully bloomed into the 2nd Annual Home & Flower Show. But this isn't just about flowers; it's about bold vision, relentless determination, small business grit & our passion for events & unparalleled experiences.

They said, "It can't be done in the desert."
But we proved them wrong. We're here, & this Flower Show belongs in Arizona. This show is for everyone who believes in the power of community & the beauty of local talent.

As the Home & Flower Show grows bigger, bolder, & more impressive each year, we'll always remember that this moment—right here, right now—is where it all began.

From the bottom of my heart, thank you for showing up, for believing in this dream, & for helping bring it to life. You've made it real.

WITH DEEP GRATITUDE,

Katie Jones

A Special THANK YOU to our incredible partners & florists,
your unwavering support has made all of this possible.
